IF YOUR DREAMS DON'T SCARE YOU, THEY AREN'T BIG ENOUGH.

happiness had a form, what would it look like? It might be something like glass, because one doesn't notice it normally. However, it is actually the proof, if you look at it from a different angle, glass will reflect light. It will state its presence and existence more eloquently than any other thing in this world." - Lelouch Lamperouge

I am what would it look like? It might be something like glass, because one doesn't notice it normally. However, it is actually the proof, if you look at it from a different angle, glass will reflect light. It will state its presence and existence more eloquently than any other thing in this world.
